August 12, 2019

**Meeting commenced: 6:30pm at the Pavilion in Grand Haven State Park**

**President's Comments: Mike Mazurek**

Mike observed some of the third and final West Michigan Beach Volleyball clinic that the FGHSP sponsored. All the spots were filled for all 3 clinics and the Friends of Grand Haven State Park were well represented.

**July meeting minutes were approved.**

**Treasurers Report: Mike Mazurek**

There were deposits since July of \$3,751.18. This revenue was generated by fire pit and wood sales along with can collection deposits.

There were \$1,772.48 in expenses since July for fire pits, insurance, state fee, a new camp ground wagon, 2 pallets of wood and two gift certificates.

Current cash in the checking account = \$8,500.11. We have \$5.00 in savings.

Interest YTD on our CD's = \$320.30.

**Update from Pat Whalen:**

The Gazebo has been ordered and delivered to the park. The sway benches have also been ordered and we are waiting on delivery. We are still waiting on Brown Concrete to fulfill their contract. The July 27 deadline has been extended and the work is now scheduled to be done after Labor Day.

Additional concrete needs were voiced by Bob Moore and Mike Mazurek. Bob pointed out that there is a hole/trench in the sand next to the area in the campground entrance just past the check-in building where vehicles can get stuck. Mike brought up the issue that when campers are using the dumping station, they block others from exiting. He suggested an additional lane in that area.

Pat reports there is an estimated \$1100 left for concrete work we can use for installing the sway benches. He proposes having the park staff do the work and just pay for the concrete.

Six Mustang Survival life jackets were purchased for staff water rescue needs.

Bob Moore asked that the park double the number of trash containers during busy weekends. Pat says that Andy ordered 30 more containers which would double the capacity.

Mike Mazurek asked that Andy have park staff fill in the sand around the playground for proper support and safety.

**Programs:**

The Birds of Prey program is confirmed for August 14<sup>th</sup>. Becky Newman and Bob Moore will attend. Mike Mazurek brought the water, cooler and FGHSP flag for Becky and Bob to use at the event.
